PLACE A YELLOW DOT WHERE YOU THINK MORE PEDESTRIAN AND BICYCLE AMENITIES ARE NEEDED (BENCHES, WATER FOUNTAINS, PARKING, BIKE PARKING, BIKE REPAIR STATIONS, ETC.)

Make sure to connect over the gorge - various bridge options

North side bridge (Lynch, Old Bridge) need a better way to cross by bike

Connect Central Greenway to Sheraton St. Yes

Lookout points where only people on the trail/path can see. Poles to set these poles etc. (waterfalls, etc.)

See phone/trails in and out of Ing Park to East Campus and along Chester Blvd

Trailheads are like city buses - better matching what bike riders

More "loops" where bikers and/or joggers can do

Inter/direct bike route to kindergartens I agree

Safety issues of Route 40 to Richmond only through (South) trail

Let's connect the greenway sections also connect Esplanade to South Trailhead

Want to walk + ride from Greenway

Should be able to walk + ride from the Greenway to the park + trail area

Need Signatures from NW 15th to NW 11th

Water bike Sport on W Main St. (South of the bridge) - large

Shadows within Glen Allen Park

Should be able to walk + ride from the Greenway to the park + trail area

Need Signatures from NW 15th to NW 11th

Need Signatures from NW 15th to NW 11th

Need Signatures from NW 15th to NW 11th

Don't get comfortable going past Glen Allen

More to reach in the Depot! I agree
