Become a Park Volunteer!

We need volunteers to assist us at many of the events listed in this program guide. Volunteer tasks may include: setting up and running children's games, leading arts and crafts, monitoring lines, tearing down, etc. To show our appreciation for the hours of service donated by our volunteers, we have created an incentive program. Organizations can sign up for the program and then we will keep a log of hours donated. These hours can then be traded for facility rentals. If you would like more information about this program, please contact our office today!

* Activities in the program guide that qualify for the Volunteer Incentive Program are noted with this symbol:
