## Become a Park Volunteer!

We need volunteers to assist us at many of the events listed in this program guide. Volunteer tasks may include: setting up and running children's games, leading arts and crafts, monitoring lines, tearing down, etc. To show our appreciation for the hours of service donated by our volunteers, we have created an incentive program. Organizations can sign up for the program and then we will keep a log of hours donated. These hours can then be traded for facility rentals. If you would like more information about this program, please contact our office today!

## Rosemary Weigel Frostbite 5K

Our race begins near twilight in Glen Miller Park, setting the scene for a beautiful evening run through the park as thousands of luminaries light the way.

For the area's runners, it is the chance to be able to compete in the last race in the Wayne County Challenge, bringing to an end the year's eight 5K race commitment. For the walkers, it's a 5K like no other.

Being the only evening run/walk in the Wayne County Challenge gives us the perfect backdrop to light the park with luminaries, play holiday music throughout the race, serve hot chocolate, and showcase performances throughout the event.

With us, you're risking Frostbite, but it's an experience you don't want to miss.

The Rosemary Weigel Frostbite 5K is special to the Richmond Parks and Recreation staff. Our race is named after Rosemary, a long-time park employee, who passed away February 2012 after battling cancer. We can think of no better way to keep her spirit alive than to name our 5K after her. She was always a fixture at the races and very involved in our programs.
